
Resolume Arena 6.0.1

November 07, 2017 - After almost two months of beta testing, here is the final version of Resolume Avenue & Arena. Go to `~/(My)Documents/Resolume Arena 5/compositions/` or `..` and extract the file to a separate folder. To enable and configure the new version, launch Resolume Arena v5.5.1 and select the View Configuration menu to see the latest version. If necessary, upgrade it to get the most out of your new installation. The update may take a while as we are using the latest versions of Adobe CS6 and Adobe After Effects CC in order for our updates to work correctly.
