Now I want to buy it again, but also wanting a new guitar for a family member of mine. This guitar is the newest version of the 6050, which has some new features including a new pick-up diaphragm, electronics, and a few wood changes. The body is more of a modern C-shape rather than a single piece body, and it's much slimmer. I chose a NM model and got it in "Chinese Rose" color. This guitar has 3 humbuckers in it, and a number of the upgrades that were on the 6050 version. I have some questions about this model though. Does the neck have any binding on it? If so, is it any harder? Also, did they add bindings to the earlier models. I was told this guitar was a discontinued product. But, I called the Rock Candy Guitars Guitars and found that they still have at least one in stock. Here's the link to Rock Candy's site: I have two questions. One, is the neck binding the same as the 6050?

Do you have an old Dynacord Powermate 1000 service manual?Queens Park Rangers boss Harry Redknapp has revealed his side's best XI for an FA Cup tie at Nottingham Forest. The R's entertain City on Saturday in their firstround replay at Loftus Road. They will go into the game as underdogs, having lost the original tie 2-1 at City's City Ground. Forest have yet to win at home in the competition this season and Redknapp picked a team which has been boosted by the withdrawal of Marouane Chamakh. It was a 12-man line-up fielded for the league meeting with Leicester City in midweek. Redknapp said: "There's players injured, the way Chamakh's injured. He can't play, but I said to the players last Tuesday, I think, when I was getting the team ready, I said to them, 'We are playing Forest in the FA Cup.' "'I think it's a very good thing we've got this game.' "We've got a chance to get out there and see what we're capable of doing." Redknapp, who has little faith in Forest's ability to create chances in the Championship, added: "It's about if we can match Forest, we will. "I think we have that quality. If we can match Forest and score goals then we are in with a chance. "They have a lot of players who can turn a game, so we just have to be very careful that we don't concede."
