Elden Ring is a Fantasy Action RPG for a mobile device with a heavy focus on online play that will be released in Japan in Summer 2017. Players can create their own character and fight in the Land Between, wielding the power of the Elden Ring. The Lands Between is a vast open world full of excitement. The lands, filled with varied enemies, change continually so you can approach it according to your playstyle. Based on the character you choose, when you wander into the Land Between, a dramatic battle unfolds and you are lead by grace. To be a true Elden Lord, you must rise, Tarnished. Features

- A vast World Full of Excitement - The Lands Between changes according to the actions you take, so you can take on the role of a strong and agile warrior, or a cool mage.
- Create a Custom Character - In addition to customizing your character's appearance, you can freely combine weapons and armor to create a powerful combination. You can increase your strength in order to become a powerful warrior. Or, you can choose to master magic to become a stylish mage.
- A Very Simple and Intuitive Control System - As you move around in the Land Between, you are able to quickly change direction in place. In addition, touch controls allow easy navigation on the map.

* Features in this beta version will be subject to change in the final version. What's in Development? The Elden Ring game development team aims to release a final product that matches the attractiveness and excitement of the main elements of the world of the Elden Ring. ELDEN RING is a fantasy role-playing game that allows you to freely create your own character and to enjoy online battles with friends or complete strangers. In the final version, we are planning to implement various additions and changes to its game flow and system, but we are going to continue to use a method that makes the two battle styles coexist in order to allow players to enjoy both online and offline play. Elden Ring Features Key:

In the vast open world, fight in large-scale battles and progress to attain new missions and complete them to earn Coins with which you can upgrade your weapons and magic.

Then apply those upgraded items to raise your character's stats, create a powerful combination with magic stones to increase the growth rate of your character, and enchant weapons and armor with special effects.

Item combination increases the power of your ability until you reach a level where your battle prowess can defeat even monstrous beasts or magic that is impervious to the forces of evil.

Tools to increase your character's inherent power are critical to survival, so make sure you equip your character with everything you need in order to face the challenges of the Lands Between and live to adventure another day.

Choose your fighting style with the character customization items the heart craves most, and take your combat experience to the next level with a variety of exciting swords and spells.

Gather your strength and manifest your character's power by combining the various mystic stones. When outmatched, use "Enchant", "Help", "Flip", "Eliminate", and other tips that will open new ways to allay the monsters' threats.

Discover the secrets of the Lands Between through the various quests, and battle monsters that are never the same twice and explore an unforgiving world along the way.

Enjoy the intense combat that combines the power of a wide variety of weapons and magic and attack while advancing to the next mission.

Defeat monsters by matching their elemental weaknesses, strength, and special ability. Craft your party, raise your level, and fight for your life.

A wide variety of weapons from classics to modern and elite weapons to oversized swords!

Battle against monsters with magic and summon a dragon to aid you!

Master magic with a variety of spells and wrenches the power of the evil
Increase your combat prowess through leveling and equipping your weapons and armor with magic stones!
Equip a new weapon or armor to gain unique fighting techniques that come in various conditions and scenarios.
Use the treasures of the enemy's fallen foes to build up your own party and fight with more power than your enemies.
