Tecno F3 Pop1 Pro Customers Care File Hardware MT6737 update / flash fix customer care firmware. The most easy way to flash your device is through custom recovery. Tecno F3 Pop1 Pro Customer Care Firmware.I have a network of CCTV installed (Flatlander cameras and cctv piont recorders). I had applied for a license but they never replied and they cancelled it at the last minute. I have about 4 licences left and i want the best deal for it. Hi, I advise you to get a quote from a cctv installer. I believe almost all fix-it shops will know how to fix your cameras. Just be sure that they will not install a new system. By the way, i have seen around 130 point of view cctv cameras. I found most of them cheap. Their price should be in between 40 and 150 EUR per camera. This is a good deal for you, if you want to keep things simple. In the beginning, you can buy 2 or 3 cameras, keep an eye on them, see if you need another one and so on. Just buy a bigger network later on, if you know how to fix stuff. Good luck, I try to answer when i can. Regards, T Where do you live - and how much of a city do you deal with? That being said, a simple network of 3 cameras can cost in the region of £500, if you only need 1 camera that is a fair amount of money. But if you plan to expand, you're gonna have to spend money regardless. At that point, it all depends on
